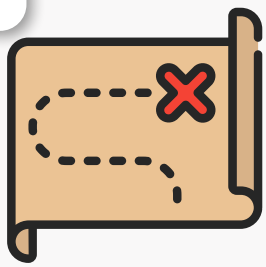
- 20 minutes per station (minimum of 4 stations)
- From CHF 59.00 per person (including entry fee)

MAP READING

In this exciting game, one member of your team will guide you through the Umwelt Arena using a walkie-talkie. Your mission is to find all the letters as quickly as possible and work together to solve the final mystery word.

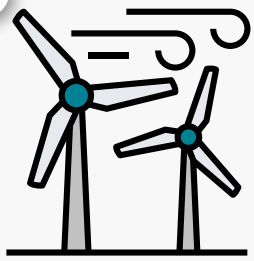


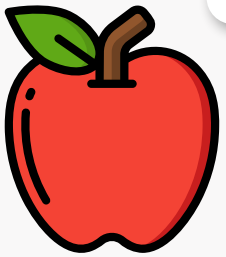
PICTURE PUZZLE

The group must answer a series of questions, with the answers hidden throughout the exhibitions. Using picture clues, they first have to locate the correct exhibits before they can find the right solution to the questions.

CROSSWORD

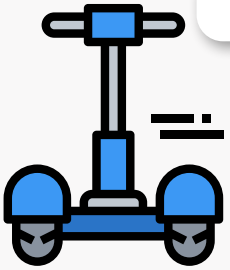
This crossword puzzle puts your knowledge of different forms of sustainable energy generation to the test. Fill in the correct terms to complete the grid and uncover the solutions.





HEALTHY FOOD

The participants use all their senses to discover what makes up a healthy and balanced diet. Through three exciting games, they explore seasonal foods and learn more about healthy food.



SEGWAYS

Each group member has the opportunity to complete a skill course on a Segway. Before starting, a liability waiver must be signed.

CURIOUS VEHICLES

Each member of the group must complete the race track. You can choose from a variety of unusual vehicles, such as a rickshaw or a tandem bike. Before starting, a liability waiver must be signed.
